

President's Voice - John Saxe

A hearty welcome to the new year to all of you in Nature Coast Corvair Club. This is going to be an exciting year for us. We have our annual show coming up in March and then off to the National Corvair Convention in Jacksonville in July. We will be in charge of the econo run at the convention, and both B. Brown and Mary Lou have worked at the last convention at Daytona.

We have a lot of work ahead of us for our show. Herb is down with rotator cuff surgery, and it appears that he is going to have to have one or both of his knees done. That means that he will be unable to help solicit funds for trophies this year. I've asked him to pave our way with some people by utilizing the telephone, but most of the burden will be on us as club members. This is a job that has to be done! I'm going to call Mike this PM and start the ball rolling, If you can help give Mike a call at 344-8196 or call me at 465-8631.

We'll see you at our meeting on the 14th of January. Till them, drive those Corvairs!

John Saxe

A HAPPY
NEW YEAR

Kathy's Views

Welcome to 2009!

I was hoping this would be a better year for the Neumann's but was I ever wrong.

Herb had arthroscopic knee surgery; rotator cuff surgery; is in rehab; the other knee is in trouble and now he might need both knees replaced!

Oh well! I guess you just have to take what is dealt you and hope for the best. We are survivors & will be OK!

The newsletter isn't up to par as I would like it to be but I wanted to get something out for the New Year! Please bear with me. The next one will be better. (I hope). Better yet, maybe someone will take it over for me.

PLEASE send me some info for YOUR newsletter!

Of course with all this going on, Herb will not be able to canvas the merchants for donations so it will be up to you members to hit the pavement so our car show will be the success it has always been.

Kathy

P.S. Just received our first 2009 Car Show registration! Keep 'em coming!!

OLD BUSINESS:

Herb Neumann gave us a review of our 1st Auto Cross event in St. Augustine on November 1st & 2nd.

Car lasted well with the following problems:

Plug fouling problems

Fuel regulator adjustments

Threw a fan belt

Dip stick port sprayed oil

Final lap on Sunday a transmission problem ended our day.

We were well received by the regulars and they commented on our clubs camaraderie and appearance in the club shirts & hats.

The next SECA event in St. Augustine is on March 28 & 29, 2009.

John Saxe's review of the Daytona Dream event in October was that more of us should go next year. This year they had 800 cars participating. He got a room on the beach for \$90 and was one of only 3 Corvaire's that showed up.

Mary Lou Gieseler & Bob Brown were the only 2 member to attend the Sheriff's Youth Ranch "Turkey in the ground" event. Mary Lou said we were missed and she explained that about 10 of us were in St. Augustine.

Mike Holup, a Citrus County Cruiser, contacted a club member and had some comments about future valve cover races sponsored by our club.

Review the "Cruisers" rules and possibly adopt them as our own since we are in the same county. Our ramp needs a starting gate to eliminate possible

Our ramp needs a starting gate to eliminate possible help from owners.

He offered to let us use his ramp if we want to.

Herb Neumann took his suggestions under advisement and will consult other club members before announcing the committee's findings.

NEW BUSINESS:

Karen Saxe circulated a sign up roster for our Christmas dinner @ Harbor Lights restaurant on December 4, 2008 @ 5:30pm.

A decision was made to announce and install officers for 2009 @ our dinner. The following members have volunteered for the following positions:

President: John Saxe

Vice President: Larry Vaughn

Secretary: Dave Langdon

Treasurer: Kathy Neumann

It was decided to NOT have a December meeting that would have been on December 10, 2008.

Linda Schlaudraff asked the club to vote on a \$200 donation to Citrus United Basket. The motion passed and we were reminded that they always have a need for non-perishable food and old cell phones.

Mike Schlaudraff let us know that the new Citrus County Emergency Operations Center on Saunders Path in Lecanto is having an "Open House" this Saturday, November 15th.

Kathy Neumann, Treasurer, reminded us that we have to limit our donations so we will have enough start up money for our 2009 Car Show. We have to assume that commercial donations to us will be even less than last year due to the economy.

Ted Rockentine reminded us to shop @ Advance Auto and use the Neumann's phone number, 352-344-4210, for a 10% discount. He also mentioned a neglected 1966 2 door hard top with power glide and A/C for sale.

NEXT MEETING:

January 14th, 2009 @ same place and same time!

A MESSAGE FROM OUR OUTGOING PREZ

Well gang this is the last word from me, I hope but all in all it's been a fun 2 years. Sometimes it was frustrating for all of us when trying to meet our goals. But we did it anyways which is apparent when we go to the other clubs/events and everyone says what a great "Car Show" we had and how much they enjoyed it. Now for the good stuff, I am sure that everyone has heard about the problems Herb is having with his knees and shoulder, that means I lost my partner for the collections for the show. I am asking ALL members to please help, please help; I am begging everyone to help with the collections. If we are going to maintain the reputation that we have it will take everyone. I'll shut up for now, thanks for letting me be your president for the past 2 years. Mike

THANKS MIKE FOR YOUR DEDICATION TO NATURE COAST CORVAIR CLUB.

(But don't think your off the hook!)

COBVAIR HAPPENINGS

Our trip up to St. Augustine for the CFC autocross was quite an experience for most of our club members. We all had a good time and the car ran well with only a few mishaps. When all the results were in, our members all received awards. Below are some of the pictures of the event.
