# First Annual Car Club Invitational

The Silverstone Club and the New England Region Cadillac & LaSalle Club bring you the First Annual Car Club Invitational. This car show is a little unique. We are inviting all cars clubs – racing, antique, exotic, military, special interest, marquee, fire – you name it we want you to come. Please join us in the heart of the Fall New England season and in the heart of New England for this special event.

## About This Event

The Car Club Invitational is a slightly different idea for a car show. At this event, car clubs will have the opportunity to cruise together to the event and park together on the show field, as a club. Even if cars arrive separately, all car club members will have the opportunity to park together with fellow members.

Invitations are going to all car clubs and individual car owners, and we mean ALL. From exotic car clubs to racing car clubs, from Packards to Studebakers, and from fire apparatus clubs to military apparatus clubs, this event is for all of you, and the rest of your club, of course!

The Silverstone Club is the host location for this event. It is a premier car storage and membership facility. An ideal location for a show like this, The Silverstone Club has ample parking on a combination of paved and grass areas, restrooms, a race simulator, and more!

While this show is intended to be unjudged, there will be a modest number of trophies handed out for Best Club Participation, Longest Distance Traveled, and other superlative awards.

**To RSVP, please contact Chris Milici, NERCLC Editor, [icilim@verizon.net](mailto:icilim@verizon.net) or (508) 384-7578 or Paul Flückiger, Founder The Silverstone Club, [paul@silverstoneclub.com](mailto:paul@silverstoneclub.com) or (866) 426-4480.**

## About the Silverstone Club:

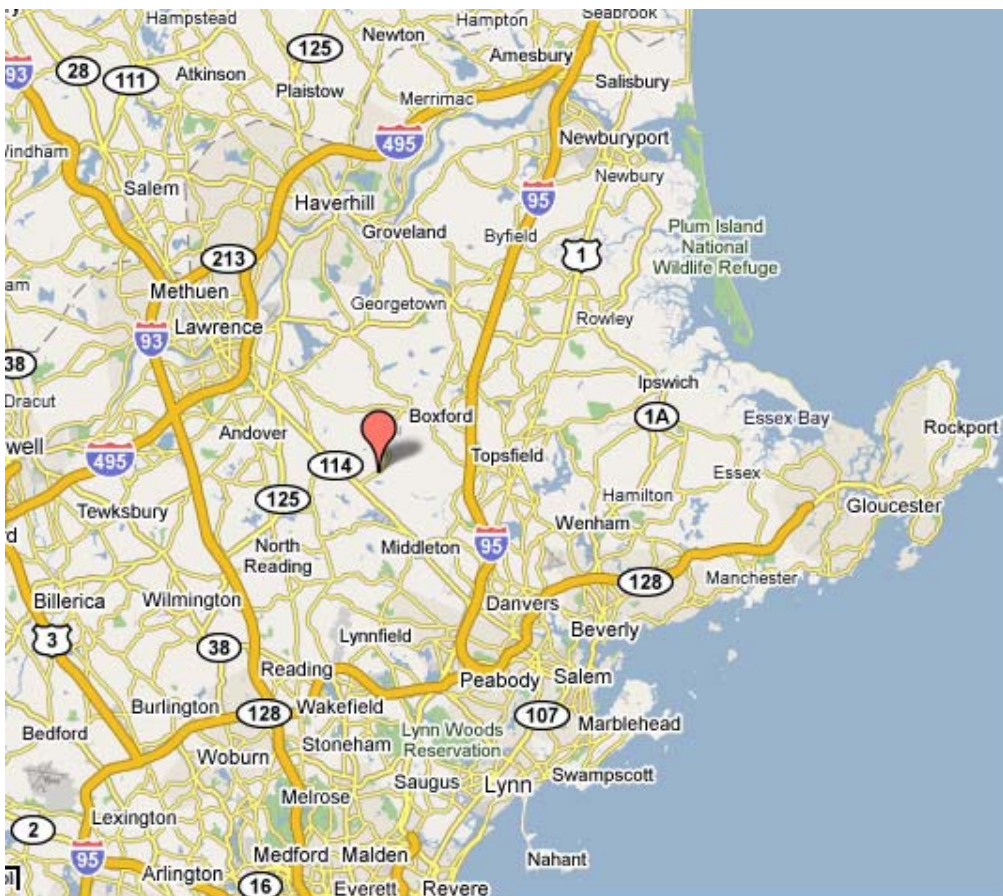

The Silverstone Club is a club for all car enthusiasts; no matter what marque, it provides a chance to share the passion of the automobile with others. It is here to provide a place to work on cars, the facilities to relax in a comfortable environment, and the organization to put together first-class events that can be enjoyed together.

The facility can be car storage for some, but others are looking for a place where they can watch racing events, work on their cars, and talk about torque. The facility is perfect. It is large enough to give club members the required access to their cars and provides enough upper loft storage, accessible via lift, for 80 motorcycles. The club includes a member lounge with big screen TVs for televised events or private functions, a racing simulator room with enough space for five simulators and rooms members can use for private meetings or offices.

The Silverstone Club will evolve over time to become what the membership wants it to become. For more information, please visit [www.silverstoneclub.com](http://www.silverstoneclub.com).

## About New England Region Cadillac & LaSalle Club:

The New England Region Cadillac & LaSalle Club (NERCLC) is a region of the Cadillac & LaSalle Club and has over 300 members from the six New England States. Please visit us at [www.nerclc.com](http://www.nerclc.com).

## Directions

**The Silverstone Club**  
**15 Sharpners Pond Rd.**  
**North Andover, MA 01845**  
**(866) 426-4480**  
[info@SilverstoneClub.com](mailto:info@SilverstoneClub.com)

Easy to get to from all highways, The Silverstone Club is just 30 minutes north of Boston and 30 minutes south of Salem or Portsmouth, NH. Sharpners Pond Rd. is located off of Rte. 114 right on the North Andover/Middleton town line.

Just look for the signs on Rte. 114 directing you to the show.
